Dear [Redacted]

Thank you for your letter of 15 September in which you reviewed developments which concern areas of parapsychological interest related in part to activities in the Soviet Bloc.

We endeavor to remain alert to Soviet Bloc work in this substantive field and will continue to follow related Soviet reports for any potential value they may have. For this reason, your voluntary chronicle of recent developments has been read with interest here.

Your thoughtfulness in bringing these developments to our attention is appreciated.

Sincerely,

[Redacted Signature]
